## Nurse's Notes

- 1) Please send in a set of clothing (shirt, pants, undies) to keep in your student's cubby at school. Even older kids fall in the mud or spill their lunch occasionally and they are much more comfortable in their own clothes.
- 2) COVID policies are currently the same that we ended with last year. The policy can be accessed here: <https://www.noblesvilleschools.org/return>. Please contact me if you have a student who is testing or who is positive.
- 3) Parents need to hand me any medications they want your student to take or have available. **Please do not send medications of any kind including inhalers and cough drops in the student's backpack.** There are pieces of paperwork required for medication, so please contact me for those.

Thank you for your continued support!

## Mrs. Anderson's Small Group Sign-Up Form

Hello! I am Mrs. Anderson, the School Counselor for Kindergarten, 1<sup>st</sup> and 2<sup>nd</sup> grade. Listed below are potential small groups that are available for students to participate in throughout the 2022-2023 school year. These groups will meet 30 minutes once a week for 6-8 weeks and are available to any student in kindergarten, 1<sup>st</sup> or 2<sup>nd</sup> grade. (Mrs. Park will be offering groups for 3<sup>rd</sup>, 4<sup>th</sup> and 5<sup>th</sup> graders.)

These groups take place during the school day at a time that is convenient for teachers. If you feel your child will benefit from any of the following groups, please place a check by the group and return this form to school. Due to the number of students participating in groups, time only allows for students to participate in one group per semester.

\_\_\_\_\_ Mindset Group. We will focus on topics such as Mindfulness, Growth Mindset and the Power of Yet, Determination and Grit, and Positive Self-Talk. This group is helpful for students needing support with self-esteem, managing feelings, handling stress, and a fear of making mistakes could benefit from this group.

\_\_\_\_\_ Worry Warriors Group. This group will help students learn and use coping skills to deal with worry. Activities will focus on how to identify what is happening in the body and a variety of coping strategies.

\_\_\_\_\_ Family Changes Group. This is a support group for students who have or are currently experiencing divorce or separation in the family.

\_\_\_\_\_ Friendship Group. The specific focus of this group will be determined by the needs of the group members. Activities typically focus on how to start conversations, resolving conflicts, expressing feelings and needs, being a good winner/loser, accepting others and more.

If you have any questions, please feel free to email me at [amie\\_anderson@nobl.k12.in.us](mailto:amie_anderson@nobl.k12.in.us) or contact me at 317-773-2850. I look forward to working with your student!
