A Note from Dr. Hendrich, Assistant Superintendent of HR/Safety

Dear Parents/Guardians,

Circumstances may occur at the school that require parents to pick up their students in a formalized, controlled release. The process of this controlled release is referred to as a *reunification*. A reunification may be necessary due to weather, a power outage, a gas leak, or an act of violence. The reunification process is a protocol that makes this process more predictable and less chaotic for all involved. If Noblesville Schools were to have a crisis situation which would require a reunification, parents would be notified via Parent Square, broadcasting a message via phone, email, and/or text. For this reason, it is important that the school in which your child attends has current contact information for you on file.

If a reunification is enacted, the school will communicate the crisis situation and the location in which you would need to pick up your child. The reunification sites are not on school property and consequently, students would be bussed to these off-site locations. Once at the reunification site, students may only be released to their custodial parents/guardians and/or emergency contacts that have been approved by the child's parent/guardian prior to the incident and are recorded in our student database. Every individual must bring a photo identification card, preferably a state-issued driver's license, to the reunification site to check-out their child. During check-in, identification and custody rights are confirmed. We hope that we do not have to enact a reunification, however, we want you to be clear of the procedures and expectations should the need arise. This process protects both the safety of the student and provides for an accountable change of custody from the school to a custodial parent or guardian.

2022 Seasonal Assistance

Dear Noble Crossing Families,

The winter season is quickly approaching! During this season, we traditionally have a number of service organizations and families from the community offer to assist our students with clothing, toys, and other necessary items. If you would like to be considered to receive help for your child(ren) from one of these service groups or families, please complete the permission slip below and have your child return it to the school office or Mrs. Smith **by Friday, November 11th**.

If you have already contacted or have requested a sponsor through another organization (church, trustee's office, Good Samaritan Network, Youth Assistance Program, etc.), please do **NOT** return this form. We thank you for your prompt response, and we wish you and your family a wonderful winter season!

Warmly,

Amy Smith
Noble Crossing Social Worker

Please note: We will consider everyone's request, but we cannot guarantee sponsors for every family that responds. We will certainly do our best, and we will let you know one way or the other!
